**Paper Airplanes**

**Materials:**
Worksheet

**How To:**
Everyone starts their worksheet and does the first one.
Make it into an airplane.
Throw.
Grab one and pick another item to do. Initial it.
Repeat.
Get your own and evaluate all the answers, correcting as needed.
Turn in.

**Notes:**

**Musical Desks**

**Materials:**
Worksheet
Music

**How To:**
Put one worksheet problem on each desk.
Students number a paper 1-whatever.
Practice how you want them to move through the desks.
Play Musical Desks.
Do the problem at the desk on own paper.
Repeat.

**Notes:**
Speed Dating

**Materials:**
Questions and answers (one of either per student, must have a match)

**How To:**
Divide class in half. Give one half answers and one half questions. Seat them in circles facing each other. The two facing each other decide if they have a match. Rotate to complete the entire worksheet.

**Notes:**

Go on 6

**Materials:**
Worksheet
Dice (one for every 3 or 4 students)

**How To:**
Give each student a worksheet. Only one may have a pencil and work. The person to the right rolls. When they get a 6, the pencil passes to them, and they work until the person to their right rolls a 6. High anticipation!

**Notes:**

Hungry Hippos

**Materials:**
